

## Driver CPC Emergency First Aid & Roadside Procedures

### Who is it for?

All drivers of HGV and PCV vehicles since 2014 / 2013 require a (Driver Qualification Card) DQC to be able to drive professionally. Our CPC courses are designed to ensure all drivers keep their DQC card legal.

Whilst many companies and Transport Manager will be tasked with ensuring that all drivers have a current DQC, we honestly believe it to be a joint responsibility.

### HGV or PCV?

This course has been approved for drivers of both HGV and PCV.

### Course Duration

This course will count towards 7 hours of your periodic training.

### Candidate Requirements

Candidates must be willing to participate within the training session as there are physical activities within this course. A candidate may refuse physical activities.

Please advise us in advance of any attendee(s) who may have learning difficulties.

### Location

This course can be delivered in our own training rooms or alternatively at a suitable venue of your choosing.

### Course Content

Conduct at the scene  
Primary Survey  
CPR  
Wounds and treatment  
Minor Aliments  
Making First Aid Relevant  
Seizures  
Chocking  
A E D's

### Enhanced training

This course follows the syllabus of our AoFA Level 2 Emergency First Aid at Work. This means that anyone can use this course to gain a First Aid certificate as well as CPC driver hours. Speak to us for more details.
