

Driver CPC

C9. SEEDS (Safe, Efficient & Effective Driving Skills)

Who is it for?

All drivers of HGV and PCV vehicles since 2014 / 2013 require a (Driver Qualification Card) DQC to be able to drive professionally. Our CPC courses are designed to ensure all drivers keep their DQC card legal.

Whilst many companies and Transport Manager will be tasked with ensuring that all drivers have a current DQC, we honestly believe it to be a joint responsibility.

HGV or PCV?

This course has been approved for HGV and PCV drivers.

Course Duration

This course will count toward 7 hours of your Driver CPC training.

Candidate Requirements

Candidates must be willing to participate within the training session and there are physical activities in this course.

Please advise of any attendees who may have learning difficulties.

Course Content

Highway Code refresher
Driver first use checks and tachograph use refresher
Unaided first drive
Review of first drive and efficient and effective training
Aided second drive
Review of second drive, targets for future improvement and maintaining of standards taught

Location

This course generally delivered on site using company owned suitable vehicle(s) and on a 2 (driver) to 1 (assessor) basis.

* A suitable vehicle will need to be fitted with 3 front seats; drivers seat and dual passenger seat.
