Who is it for?

All drivers of HGV and PCV vehicles since 2014 / 2013 require a (Driver Qualification Card) DQC to be able to drive professionally. Our CPC courses are designed to ensure all drivers keep their DQC card legal.

Whilst many companies and Transport Manager will be tasked with ensuring that all drivers have a current DQC, we honestly believe it to be a joint responsibility.

HGV or PCV?

This course has been approved for drivers of both HGV and PCV.

Course Duration

This course will need to be combined with another module to count towards your periodic training.

Candidate Requirements

Candidates must be willing to participate within the training session and there are physical activities in this course.

Please advise of any attendees who may have learning difficulties.
